COMPANY REGISTRATION

COMPANY REGISTRATION

Licensed in 2018, we are geared towards an innovative model for the future, engineered such that MYSONS PETROLEUM PRIVATE LIMITED stands out as the fastest growing Oil Marketing Company.

June

2019

LICENSE FOR OGRA

The Oil & Gas Regulatory Authority is in the process of granting Benzin the Oil Marketing License. Once granted, MYSONs will be legally enabled to set up one of the largest product portfolios in the country, along with a widespread network consisting of retail stations, oil terminals, transport & logistic services and so much more. When we launch, we will do so with the strictest compliance and due diligence followed and encouraged by OGRA.

February

2021

PERMISSION FOR EXPLOSIVE DEPARTMENT OF ENERGY

Pakistan's Ministry of Energy (petroleum division) has yet to grant MYSON legal permission for petroleum oil products production and marketing. Soon after permission will be granted, MYSON Private Limited will be legally licensed for mega E&P production. When launched, we will follow the strictest compliance and rules driven by the authorities of the Pakistan Ministry of Energy (Petroleum Division). Safety, responsible behavior, and risk management are principles of all MYSONs departments. As we grow, so will our commitment to your well-being and that of the environment.
