Bundle Bunnies & Dino Tots House Rules

1 Diaper Changing Practices

1. Never leave a baby unattended on a changing table.
2. Assure you have all items needed before you start a diaper change.
3. Always use gloves when changing.
4. Always clean under and the pad and the changing pad itself before and after each use.
5. Place wet and soiled diapers in a plastic bag and then in the trash can with the lid.
6. Wash your hands and the child's hand for 20 seconds.
7. Call the front office to have used diapers removed from the room.
8. Always make sure someone can watch the classroom children while you are changing diapers.

2 Sleeping Practices

1. Do not swaddled infants
2. Do not place Blankets over a child's face.
3. Place infants on their back for sleeping.
4. Do not use Bumper pads or hang objects over the cribs.
5. Cribs shall have the assigned child's name, picture, age, and current developmental stage example: James Dean, age 9 months, I can sit up on my own, I can eat table food.
6. Floor mats are to be used for sleeping once our babies can stand in the crib. Blue side should be placed on the floor.
7. Linen should be washed daily or after being soiled.

3 Feeding Practices

- Nonscheduled feeding is provided for our infants; mothers are welcome to come and breastfeed or provide breast milk.
1. Breast milk or infant formula shall be provided by the mother in bags in serving size portion. Infant formula should be provided in ready-made bottles with the correct ounces.
 2. Each bottle shall be labeled with the child's first and last name and date.
 3. Unused milk shall be returned to the mother at the end of each day.
 4. Breast milk and ready-made bottles shall be stored in the refrigerator with the date and child's name.
 5. The child shall be given the appropriate ounces at each feeding, and the remainder is discarded after each use.
 6. Sanitized bottles with bleach, soap, and water and returned to the parent daily.
 7. Food should be steamed and mashed for our infants and toddlers; foods that can be a choking hazards such as hot dogs and grapes should not be provided.
 8. Clean up spills immediately to prevent toddlers from picking up dropped food items on the floor.

4 Remember Daily Practices

- Provide Essential quality infant-Toddler service by doing the following below.
1. Daily inspections of each classroom before closing.
 2. Following safe sleep practices provided in CCL Title 22

HOW TO CLEAN THE OUTSIDE OF RUBBER BOOTS

STEP-1

Rinse the rubber boots with tap water to remove the wet mud.

STEP-2

If the mud has dried, gently chip off the larger chunks.

STEP-3

Mix 1 tablespoon of dish soap & 2 cups (16oz) of warm water in a bowl. Stir to make a soapy solution.

STEP-4

Dip a cloth into the soapy solution & scrub the boot's surface.

STEP-5

Dip the toothbrush into the soapy solution & scrub the soles.

STEP-6

Rinse the rubber boots with normal water.

STEP-7

Wipe the boots with a dry cloth. Let the boots air-dry.
